

Telesales Executive

Salary: £25k basic + bonus

Based: Kingsbury near Coleshill

Smart specialise in powered access rental and has pioneered the usage of self drive truck mounts in the UK. With the expansion of its Midlands branch an internal sales position has arisen.

The position involves the generation of leads through the usage of our extensive database. The identifying, qualification and discussion with decision makers is crucial as is the ability to develop relations and close sales over the phone.

The candidate will have proven track record in sales, either face to face or telesales and powered access experience would be desirable. General IT literacy is important as is the ability to develop in the role.
